All-inclusive!

- The food and drinks are all included. There is no up-charge to eat at any restaurant. But...we'd suggest doing some research for eats outside of the resort. Cabo has an array of delicious restaurants and this trip would be a great opportunity to scope them out!
- **Please bring cash to tip your bartenders and servers!!!!!!**

Food suggestions in San Jose

we're no locals, but we have done our research.

here are some restaurants that are notably worth trying within minutes of our resort:

- **Acre'** – \$\$\$ boutique treehouse, craft food and cocktails
- **Kitchen Table** – \$\$\$ sullivan's favorite in tulum; unique dining experience with many delicious courses
- **Flora's** – \$\$\$ farm-to-table, craft cocktails, carefully designed dishes (also provides cooking classes)
- **Los Tres Gallos** – \$\$ local eatery with mexican cuisine
- **Agua** – \$\$\$\$ baja-inspired menu ocean-side
- **Jazmin's Restaurant** – \$\$ live music with authentic mexican and delicious margaritas!
- **Cocina Del Mar, Cabo San Lucas** – \$\$\$ not in San Jose, but is a cliffside restaurant with excellent seafood, romantic vibes, and fireworks every night
